

Section 1: Product and Company Identification

Geer Gas

1360 McKinley Ave. Columbus, Ohio 43222 Phone: (614) 272-4337

Chemtrec: Customer #9201

1-800-424-9300

Product Code: Argon Liquid

Part Number: ARGLS

Section 2: Hazards Identification

Hazard Classification: Gases Under Pressure

Hazard Statements:

Contains gas under pressure; may explode if heated

Precautionary Statements

Storage:

Protect from sunlight. Store in well-ventilated place.

Section 3: Composition/Information on Ingredients

CAS # 7440-37-1

Geer Gas

page 1 of 4

Date of Preparation: 05/01/2023 16:00:41

| Chemical Substance | Chemical Family | Trade Names |
|--------------------|-----------------|-------------------------------------|
| ARGON, LIQUID | Inorganic gases | ARGON; AR; Argon (cryogenic liquid) |

Section 4: First Aid Measures

| Skin Contact | Eye Contact | Ingestion | Inhalation | Note to Physicians |
|-----------------------------------------------------------------------|----------------------------------------|----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|
| Warm skin with warm water not to exceed 105 degrees F (41 degrees C). | Flush eyes with plenty of water. | Not applicable route of exposure | If adverse effects occur, remove to uncontaminated area. Give artificial respiration if not breathing. If breathing is difficult, oxygen should be administered by qualified personnel. Get immediate medical attention. | For inhalation, consider oxygen. |

Section 5: Fire Fighting Measures

| Suitable Extinguishing Media | Products of Combustion | Protection of Firefighters |
|------------------------------|------------------------|----------------------------|
| Non-flammable gas | Not applicable | ■ N/A |
| | | ■ N/A |

Section 6: Accidental Release Measures

| Personal Precautions | Environmental Precautions | Methods for Containment |
|----------------------------------------------------------------------------------------------------------|------------------------------|----------------------------------------------|
| Keep unnecessary people away, isolate hazard area and deny entry. Stay upwind and keep out of low areas. | None known. | Stop leak if possible without personal risk. |

| Methods for Cleanup | Other Information |
|--------------------------------------------------|-------------------|
| Leaks may be detected by a soapy-water solution. | |

Section 7: Handling and Storage

| Handling | Storage |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Store and use with adequate ventilation. Firmly secure cylinders upright to keep them from falling or being knocked over. Screw valve protection cap firmly in place by hand. Store only where temperature will not exceed 125 degrees F (52 degrees C). Store full and empty cylinders separately. Use a first-in, first-out inventory system to prevent storing full cylinders for long periods. | Do not get liquid in eyes, on skin, or clothing. Protect cylinders from damage. Use a suitable hand truck to move cylinders; do not drag, roll, slide, or drop. Open valve slowly. Close cylinder valve after each use; keep closed even when empty. If valve is hard to open, discontinue use and contact your supplier. |

Section 8: Exposure Controls/Personal Protection

| Exposure Guidelines |
|---------------------------|
| ACGIH (simple asphyxiant) |

Engineering Controls

Handle only in fully enclosed systems.

| Eye Protection | Skin Protection | Respiratory Protection |
|---------------------------|--------------------------|------------------------|
| Splash resistant goggles. | Wear insulated clothing. | N/A |

General Hygiene considerations

- Avoid breathing vapor or mist
- Avoid contact with eyes and skin
- Wash thoroughly after handling and before eating or drinking

Section 9: Physical and Chemical Properties

| Physical State | Appearance | Color | Change in Appearance | Physical Form | Odor | Taste |
|----------------|------------|-----------|----------------------|---------------|----------|-----------|
| Liquid | Colorless | Colorless | N/A | Liquid | Odorless | Tasteless |

| Flash Point | Flammability | Partition Coefficient | Autoignition Temperature | Upper Explosive Limits | Lower Explosive Limits |
|---------------|--------------|-----------------------|--------------------------|------------------------|------------------------|
| Not flammable | | | Nonflammable | Nonflammable | Nonflammable |

| - 5 | Freezing Point | Vapor Pressure | Vapor Density | Specific Gravity | Water Solubility | рН | Odor Threshold | Evaporation Rate | Viscosity |
|-----|--------------------|-------------------------|------------------|---------------------|---------------------|----------------|-------------------|---------------------|---------------------|
| | 308 F (- 189 C) | 500 mmHg @ -190 C | 1.38 (Air=1) | Not applicable | 3.36% @ 20 C | Not applicable | Not available | Not applicable | 0.0225 cP @ 25 C |

| Molecular Weight | Molecular Formula | Density | Weight per Gallon | Volatility by Volume | Volatility | Solvent Solubility |
|---------------------|----------------------|--------------------|----------------------|-------------------------|----------------|---------------------------|
| 39.948 | AR | 1.784 g/L @ 0 C | Not available | 100% | Not applicable | Soluble: Organic solvents |

Section 10: Stability and Reactivity

| St | ability | Conditions to Avoid | Incompatible Materials |
|----|--------------------------------------------|---------------------------------------------|------------------------|
| St | table at normal temperatures and pressure. | Stable at normal temperatures and pressure. | No data available. |

| Hazardous Decomposition Products | Possibility of Hazardous Reactions |
|----------------------------------|------------------------------------|
| No data available. | Will not polymerize. |

Section 11: Toxicology Information

Acute Effects

| 710010 =110010 | | | | | |
|-----------------|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|
| Oral LD50 | Dermal LD50 | Inhalation | | | |
| Not established | Not established | Nausea, vomiting, difficulty breathing, irregular heartbeat, headache, dizziness, disorientation, mood swings, tingling sensation, loss of coordination, suffocation, convulsions, unconsciousness, coma | | | |

| Eye Irritation | Skin Irritation | Sensitization |
|----------------|-----------------|----------------------------------|
| Frostbite | Frostbite | ASPHYXIANT, difficulty breathing |

Chronic Effects

| Carcinogenicity | Mutagenicity | Reproductive Effects | Developmental Effects |
|-----------------|-----------------|----------------------|-----------------------|
| Not established | Not established | Not established | No data |

Section 12: Ecological Information

Fate and Transport

| Eco toxicity | Persistence / Degradability | Bioaccumulation / Accumulation | Mobility in Environment |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------|--------------------------------|-------------------------|
| Fish toxicity: Not available Invertibrate toxicity: Not available Algal toxicity: Not available Phyto toxicity: Not available Other toxicity: Not available | Not available | Not available | Not available |

Section 13: Disposal Considerations

Dispose in accordance with all applicable regulations.

page 3 of 4

Section 14: Transportation Information

U.S. DOT 49 CFR 172.101

| Proper Shipping Name | ID Number | Hazard Class or Division | Packing Group | Labeling Requirements | Passenger Aircraft or Railcar Quantity Limitations | Cargo Aircraft Only Quantity Limitations | Additional Shipping Description |
|----------------------------|--------------|--------------------------------|------------------|--------------------------|----------------------------------------------------------|------------------------------------------------|---------------------------------------|
| Argon, Liquid | UN1951 | 2.2 | Not applicable | Nonflammable gas | 75 kg or L | 150 kg | N/A |

Canadian Transportation of Dangerous Goods

| Shipping Name | UN Number | Class | Packing Group / Risk Group |
|---------------|-----------|-------|----------------------------|
| Argon, liquid | UN1951 | 2.2 | Not applicable |
